November 2008

Hello Block Watch Members!

There were **24** residential burglaries during the month of October, with **0** occurring at an active Block Watch residence.

With the holidays fast approaching, it is a good time to review a few safety precautions:

- 1) When shopping for the holidays, use caution when deciding to take shopping bags out to your vehicle and then returning to the mall. There are plenty of opportunists who are watching you do this and they have no problem breaking into your vehicle to relieve you of your new purchases. If you must “unload” before going back in for that second round of shopping, place your packages in your trunk or secluded under a cargo cover and relocate your vehicle. Inconvenient? Absolutely. But nowhere near as upsetting as finding that your vehicle has been broken into, and your packages are gone.
- 2) Holiday time can mean lots of grocery shopping for holiday guests. Make sure to keep an eye on your purse while shopping. It only takes a second for somebody to lift your wallet out of your open purse that is sitting in a shopping cart. This is a lapse that I frequently see while I’m shopping. You’ve probably noticed it too. If you have to leave your cart to go find a product, or even if you’re just bending over to retrieve something, make sure you keep your purse with you at all times - close to you and zipped up!
- 3) It’s not uncommon for holiday yard decorations to be stolen. When placing these items throughout your yard, keep in mind how you’re securing them, and try to keep them in locations where you can see them from inside your home. It’s a shame we have to take such precautions during this special time of year, but starting about now, I start to see too many case reports regarding the theft of these items.

These are just a few precautions to keep in mind. More safety information can be located on the City’s website at www.rentonwa.gov.
